

I WISH IT COULD BE CHRISTMAS EVERY DAY

BY ROY WOOD

[A]

When the snowman brings the snow,
Well he just might like to know.
He's put a great big smile on somebody's face.

[B]

If you jump into your bed,
Quickly cover up your head,
Don't you lock the doors you know that sweet
Santa Claus is on the way.

[C]

*Well I wish it could be Christmas every day.
When the kids start singing and the band
begins to play.*

[D]

*Oh, I wish it could be Christmas every day.
Let the bells ring out for Christmas.*

[VERSE 2]

When we're skating in the park,
If the storm cloud paints it dark,

Then your rosy cheeks gonna light my merry
way.

Now the frosticles appear

And they've frozen up my beard,

So we'll lie by the fire till the sleep simply melts
them all away.

Well I wish it could be Christmas every day...

[VERSE 3]

When the snowman brings the snow,

Well he just might like to know.

He's put a great big smile on somebody's face.

So if Santa brings that sleigh,

All along the Milky Way,

Sign your name on the rooftop in the snow,
then he may decide to stay.

Well I wish it could be Christmas every day...

Why don't you give your love for Christmas.
