

LIKE A PRAYER BY MADONNA

[A]

Ah _____

[B]

Life is a mystery

Everyone must stand alone

I hear you call my name

And it feels like home.

[C] – *Instrumental*

[D]

When you call my name it's like a little prayer,

I'm down on my knees, I wanna take you
there.

In the midnight hour, I can feel your power

Just like a prayer, you know I'll take you there.

[E]

I hear your voice,

It's like an angel sighing

I have no choice, I hear your voice

Feels like flying

[F]

I close my eyes

Oh God, I think I'm falling

Out of the sky, I close my eyes

Heaven help me.

[G]

When you call my name it's like a little prayer

I'm down on my knees, I wanna take you
there.

In the midnight hour, I can feel your power

Just like a prayer, you know I'll take you there

[E]

Just like a child

You whisper softly to me

Sing From Your Sofa!

You're in control, just like a child

[I]

Now I'm dancing.

Altos & Baritones sing:

Just like a prayer

[F]

Your voice can take me there

It's like a dream

Just like a muse to me

No end and no beginning

You are a mystery

You're here with me, it's like a dream

Just like a dream

Let the choir sing.

You are not what you seem

Just like a prayer

[G]

No choice, your voice can take me there

When you call my name it's like a little prayer

Sopranos sing over the top:

I'm down on my knees, I wanna take you there.

Life is a mystery

In the midnight hour, I can feel your power

Everyone must stand alone

Just like a prayer, you know I'll take you there.

I hear you call my name

And it feels like

[H] *(Altos and Baritones only)*

Just like a prayer

[J]

Your voice can take me there

Just like a prayer, I'll take you there.

Just like a muse to me

It's like a dream to me. *(Repeat [J] x 4)*

You are a mystery

Everyone repeat [I]

Sing From Your Sofa!
