

FIREWORK BY KATY PERRY & ESTHER DEAN

[A] *Baritones only*

Ever, do you feel, ever, do you feel

Ever, do you feel, ever, do you feel

[B]

Do you ever feel like a plastic bag,

Drifting thought the wind,

Wanting to start again?

Do you ever feel, feel so paper thin,

Like a house of cards

One blow from caving in?

[C]

Do you ever feel already buried deep,

Six feet under scream,

But no one seems to hear a thing?

Do you know that there's still a chance for
you?

'Cause there's a spark in you;

[D]

You just gotta ignite the light

And let it shine,

Just own the night,

Like the Fourth of July,

[E]

'Cause baby you're a firework,

Come on show 'em what your worth.

Make 'em go "Oh, oh, oh!"

As you shoot across the sky-y-y.

Baby you're a firework,

Come on let your colours burst.

Make 'em go "Oh, oh, oh!"

You're gonna leave 'em fallin' down-ow-own

[B]

You don't have to feel like a waste of space,

You're original, cannot be replaced.

If you only knew what the future holds,

After a hurricane comes a rainbow.

[C]

Maybe a reason why all the doors are closed.

So you can open one that leads you to the perfect road.

Like a lightning bolt, your heart will glow,

And when it's time, you'll know

[D]

You just gotta ignite the light

And let it shine,

Just own the night,

Like the Fourth of July,

[E]

'Cause baby you're a firework,

Come on show 'em what your worth.

Make 'em go "Oh, oh, oh!"

As you shoot across the sky-y-y.

Baby you're a firework,

Come on let your colours burst.

Make 'em go "Oh, oh, oh!"

You're gonna leave 'em fallin' down-ow-own.

[G]

Boom, boom, boom

Even brighter than the moon, moon, moon

It's always been inside of you, you, you

And now it's time to let it through

[H]

'Cause baby you're a firework,

Come on show 'em what your worth.

Make 'em go "Oh, oh, oh!"

As you shoot across the sky-y-y.

[I]

Baby you're a firework,

Come on let your colours burst.

Make 'em go "Oh, oh, oh!"

You're gonna leave 'em fallin' down-ow-own

Baby you're a firework.
