

I ' M STILL STANDING

BY ELTON JOHN & BERNIE TAUPIN

[A]

You could never know what it's like,
Your blood like winter freezes just like ice,
And there's a cold lonely light that shines from
you;
You'll wind up like the wreck you hide behind
that mask you use.

[B]

And did you think this fool could never win?
Well look at me, I'm a-comin' back again,
I got a taste of love in a simple way,
And if you need to know, while I'm still
standing, you just fade away.
Don't you know,

[C]

I'm still standing, better than I ever did.
Looking like a true survivor, feeling like a little
kid.

[D]

I'm still standing after all this time.
Picking up the pieces of my life without you on
my mind.

[E]

I'm still standing, yeah, yeah, yeah.
I'm still standing, yeah, yeah, yeah.

[F]

Once I never could hope to win,
You starting down the road of leaving me
again.
The threats you made were meant to cut me
down,
And if our love was just a circus, you'd be a
clown by now.

[C]

I'm still standing, better than I ever did.

Looking like a true survivor, feeling like a little
kid.

[D]

I'm still standing after all this time.

Picking up the pieces of my life without you on
my mind.

[E]

I'm still standing, yeah, yeah, yeah.

I'm still standing, yeah, yeah, yeah.

Repeat chorus [C] – [E]
