

Let it go – from Frozen

By Kristen Anderson-Lopez and Robert Lopez

Verse one

A

The snow glows white on the mountains tonight;
not a footprint to be seen.

A kingdom of isolation and it looks like I'm the queen.

B

The wind is howling like the swirling storm inside.
Couldn't keep it in; heavens knows I tried.

C

Don't let them in, don't let them see; be the good girl you always have to be.
Conceal, don't feel, don't let them know...well, now they know.

Chorus

Let it go, let it go; can't hold it back anymore.

Let it go, let it go, turn away and slam the door.

I don't care what they're going to say; let the storm rage on.

The cold never bothered me anyway.

Verse 2

D

It's funny how some distance makes everything seem small;
And the fears that once controlled me can't get to me at all.

E

It's time to see what I can do, to test the limits and break through.

No right, no wrong, no rules for me; I'm free!

F

Chorus

Let it go, let it go; I am one with the wind and sky.

Let it go, let it go, you'll never see me cry.

Here I stand, and here I am stay; let the storm rage on.

G

Bridge

My power flurries through the air and to the ground.

My soul is spiraling in the frozen fractals all around.

And one thought crystallizes like an icy blast:

I'm never going back; the past is in the past!

H

Final Chorus (Coda)

Let it go, let it go; and I'll rise like the break of dawn.

Let it go, let it go, that perfect girl is gone.

Here I stand in the light of day;

Let the storm rage on.

The cold never bothered me anyway.
