

***Mary Poppins – Choral selections***

***By Richard M. Sherman***

***-Chim Chimn Cher-ee-***

A

***Intro***

Chim\* Chim\* Cheree

Chim\* Cheroo!

B

***Chorus one***

Chim chiminey chim chiminey chim chim cheree!

A sweep is as lucky, as lucky can be.

Chim chiminey chim chiminey chim chim cheroo!

Good luck will rub off when I shakes 'ands with you,

Or blow me a kiss and that's lucky too.

C

***Verse one***

Now, as the ladder of the life has been strung,

You may think a sweep's on the bottom most rung.

Though I spends most of me time in the ashes and smoke,

In the 'ole wise world there's no 'appire bloke.

D

***Chorus two***

Chim chiminey chim chiminey chim chim cheree!

A sweep is as lucky, as lucky can be.

Chim chiminey chim chiminey chim chim cheroo!

Good luck will rub off when I shakes 'ands with you,

Or blow me a kiss and that's lucky too.

E

***Verse two***

Up where the smoke is all billered and curled,  
Tween pavement and stars, is the chimney sweep world.  
When there's 'ardly no day nor 'ardly no night,  
There's things 'alf in shadow and 'alfway in light,  
On the roof tops of London, coo, what a sight!

E

***Chorus three***

Chim chiminey chim chiminey chim chim cheree!  
When you're with a sweep you're in glad company.  
Nowhere is where is theres more 'appier crew then wot sings,  
Chim chiminey chim chiminey chim chim cheroo!  
Chim chiminey chim chiminey chim chim cheroo!

***-Spoonful Of Sugar-***

A

***Intro***

In ev'ry job that must be done there is an element of fun;  
You find then and snap, the jobs a game.  
And ev'ry task you undertake becomes a piece of cake, a lark, a spree!

B

***Chorus one***

It's very clear to see that a spoon of sugar helps the medicine go down,  
The medicine go down, medicine go down.  
Just a spoon full of sugar helps the medicine go down  
In the most delightful way.

C

***Verse one***

The honey bees that fetch the nectar from the flowers  
to the comb  
Tire of every buzzing to and fro.  
Because they take a little nip from ev'ry flower that they sip,  
And hence, they find their task is not a grind.

D

***Chorus two***

For a spoon full of sugar helps the medicine go down,  
The medicine go down, medicine go down.  
Just a spoon full of sugar helps the medicine go down  
In the most delightful,  
In the most delightful,  
In the most delightful way.

***-Let's go fly a Kite-***

A

***Verse one***

With Tuppens for a paper and strings  
You can have your own set of wings;  
With your feet on the ground,  
You're a bird in flight with your fist holding tight  
To the string of your kite.

B

***Chorus one***

Oh, oh, oh!  
Let's go fly a kite  
Up to the highest height!  
Let's go fly a kite and send it soaring  
Up through the atmosphere,  
Up where the air is clear.  
Let's go fly a kite,

A Kite!

C

**Verse two**

When you send it flying up there,  
All at once you're lighter than air;  
You can dance on the breeze  
Over houses and trees with your fist holing tight  
To the string of your kite.

D

**Chorus two**

Oh, oh, oh!  
Let's go fly a kite  
Up to the highest height!  
Let's go fly a kite and send it soaring  
Up through the atmosphere,  
Up where the air is clear.  
Let's go fly a kite,  
A Kite!

**-Supercalifragilisticexpialidocious-**

A

**Intro**

Umdiddledlediddle, umdiddleay!  
Umdiddledlediddle, umdiddleay!

B

**Verse one**

Because I was afraid to speak when I was just a lad,  
Me father gave me nose a tweak and told me I was bad.  
But then one day I learned a word that saved me from achin' nose,  
The biggest word you ever 'eard and this is how it goes:

C

**Chorus one**

Oh!  
Supercalifragilisticexpialidocious!

Even though the sound of it is something quite atrocious,  
If you say it loud enough, you'll always sound precocious.  
Supercalifragilisticexpialidocious!

D

***Verse two***

So when the cat has got your tongue,  
There's no need for dismay.  
Just summon up this word and then you've got a lot to say.  
Pick out those eighteen consonants, add sixteen vowels as well,  
And put them in an order which is very 'ard to spell.

E

***Chorus two***

Supercalifragilisticexpialidocious!  
Even though the sound of it is something quite atrocious,  
If you say it loud enough, you'll always sound precocious.  
Supercalifragilisticexpialidocious.  
Supercalifragilistic  
Supercalifragilistic  
Supercalifragilisticexpialidocious!

F

***Coda***

Umdiddledlediddle, umdiddleay!  
Umdiddledlediddle, umdiddleay!  
Supercalifragilisticexpialidocious!
