

Parking Instructions

There's a one-way system in place on the High Street so you will need to drive away from the High Street then turn back towards it in order to get to the church car park. It looks like you're driving in a rectangular shape on the map (see pictures below).

Car park barrier code: 2323

1. Travel down the High Street past West Bromwich Town Hall and keep going until you reach traffic lights by Paul Dubberley Estate Agents and Pizza No 1.
2. At the lights, turn right onto Victoria Street.
3. At the roundabout take the second exit (left turn) onto St Michael Street.
4. At the lights, turn left back onto the High Street and Wesley Methodist Church car park will be on your right. Use the barrier code to enter.
