

MUPPET CHRISTMAS CAROL MEDLEY

PAUL WILLIAMS

One more sleep 'til Christmas

[3]

There's magic in the air this evening, magic in
the air.

The world is at her best, you know, when
people love and care.

The promise of excitement is one the night will
keep.

After all, there's only one more sleep 'til
Christmas.

[11]

'Tis the season to be jolly and joyous.

With a burst of the pleasure, we feel it arrive.

Oh. It's the season when the saints can employ
us

To spread the news about peace and to keep
love alive.

It feels like Christmas

[21]

It's in the singing of a street corner choir,

It's going home and getting warm by the fire.

It's true whatever you find love it feels like
Christmas.

A cup of kindness that we share with another,
a sweet reunion with a friend or brother

In all the places you find love it feels like
Christmas.

[30]

It is the season of the heart, a special time of
caring,

The ways of love made clear.

It is the season of the spirit, the message if we
hear it,

Is make it last all year!

Thankful Heart

[40]

With a thankful heart, with an endless joy, with
a growing family,

Every girl and boy will be nephew and niece to
me.

Nephew and niece to me will bring hope and
peace to me.

Love, hope, and peace to me.

Oo....

With a grateful prayer and a grateful heart.

[50]

With an open heart that is wide awake, I do
make this promise;

Every breath I take will be used to sing your
praise.

Use now to sing your praise and to beg you to
share my days

Beg you to share my days with a loving
guarantee that even if we part,

I will hold you close with a thankful heart.

I will hold you close with a thankful heart.

Thankful heart!
